

Nashua Green Team
Special Meeting
Executive Committee Meeting &
Energy Efficiency Subcommittee Meeting

Monday, July 12, 2010
2:00 p.m.
Nashua City Hall
Planning Conference Room
2nd floor

Agenda

- A. Call to Order
- B. Roll Call
- C. Discussion Items
 - Expendable Trust Fund application from the Energy Efficiency Subcommittee for the installation of a solar photovoltaic system at Nashua High School South
 - Subcommittees - updates and proposed projects
- D. Other Business
- E. Adjournment

The July 15th regular Green Team meeting was previously cancelled. The purpose of the meeting is to review the Expendable Trust Fund application received from the Energy Efficiency Subcommittee. A recommendation to approve said funds for this project will be discussed at the meeting. The project proposes to install wiring and equipment necessary to connect the existing solar photovoltaic panel at the NHS-S to the building's electrical system. This project will also install an educational display explaining how the system works. Both the solar PV panel and educational display will be located in or adjacent to one of the schools' science classrooms. The goal is to complete the project in the summer, for the upcoming school year. All members and others interested in the Green Team are invited and encouraged to participate in the meetings.

Questions can be directed to:

Lucy A. St. John, AICP
Deputy Planning Manager/Co-Chair Nashua Green Team
